

Nicolas Weidmann

Partner

Nicolas Weidmann has over 20 years of experience as an executive in leading international corporations in the industrial, technology, biopharmaceutical/medtech and consumer goods sectors. He is a distinguished expert in working with multinational companies and senior executives to build their reputations, reinforce their market positions and increase aspiration, visibility, and buy-in. With more than 15 years as chief communications and marketing officer and a member of the executive management he knows how organizations work and how to successfully manage communications in those environments. Nicolas holds a master's degree in Psychology, Economics and Journalism from the University of Zurich.
